

PRIVACY SHUTTER

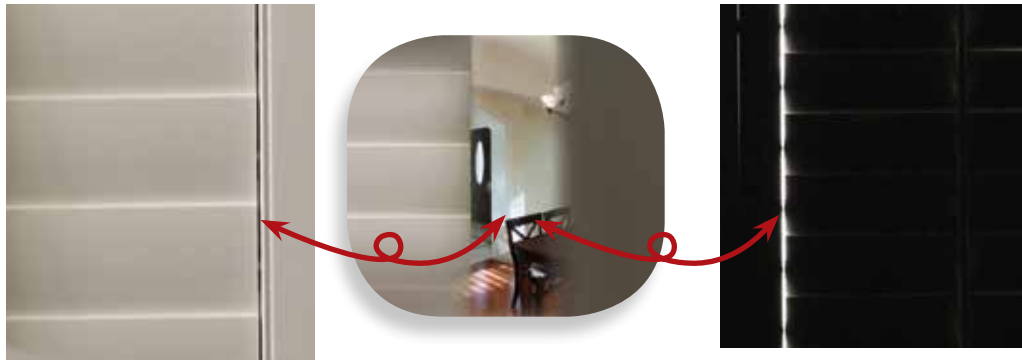

by SUNLAND® SHUTTERS

SUNLAND® SHUTTERS Introduces a NEW Patented Product that Blocks the Gap Between the Louvers and the Stile on Both Sides of a Plantation Shutter Panel.

The Privacy Shutter is Designed to Completely Block the Ability to Look Inside from the Outside.

GAP on Traditional Plantation Shutters

- * Designed for Bedrooms, Bathrooms and other areas where complete privacy is needed.
- * Offer an innovative product to your customers that your competition cannot.
